**CARL POLSON
COMMODORE**

As the case with every year at the club, the volunteers of our club our amazing and nothing in this organization would be possible without the volunteers of this club. Much of what we have accomplished this year and every year since this club started in the 1930's has been accomplished by volunteers. This club has changed quite a bit from the 1930's but one thing still remains, the people of this club are amazing. I really want to take this moment to pay my appreciate to all the volunteers that have helped this club, not just this year, but thank you to anyone that has helped during the last 87 years this club has been here thank you from the bottom of my heart.

Carl Polson

This picture is from back in the 1940's (back before the club owned the northern part of this property).

MEMBERSHIP

Roberta Schott–
Nothing to report.

RENTAL

Samantha Myers
Nothing to report.

CHAIR REPORTS

BUILDING COMMITTEE

The pictures are up, woodwork has been done many thanks to Steve Polson and Dean Hills for their recent work. We still need to paint the exterior, fix a few issues with the siding and get HVAC for the kitchen side of the clubhouse. Propane is also scheduled to be replumbed into the kitchen.

MOORAGE

Trey Gooch/Dave Baker -

We are working on getting a quote for the breakwater, so far this has been unsuccessful. It is recommended that all boats on the breakwater be moved to docks A, B or C for the winter months. Slip assignment can be arranged through Steve Polson.

HOUSE AND GROUNDS

Steve Polson -

Caretaker hours are being reduced and posted at the clubhouse, Steve has been preparing the grounds for the winter time. If you need gas or something from Steve call ahead of time and he can plan appropriately. Gas is available all year, but you must call ahead of time. Winter garbage will start at the end of October at that time the locks for the garbage cans will be changed. If you need winter garbage service contact Joyce Harris. The doors for the clubhouse will remain open during daylight hours. A small work party after the October meeting is to follow to help clear out some of the rocks in the swim area, we will hold a few more small work parties in the months to come to clean out some of the rocks in the swim area. A fence was added between the breakwater and the neighbors to the north.

WATER

Rob Eldred -

Water will be shut off on Sunday, November 5th.

CAMPER AREA

Dean Hills

Most of the RV's have been pulled out for the winter time, as a reminder if you left your carpet, you need to come get it. As a reminder that members are responsible the carpets and other misc items that could get accidentally moved during snow removal this winter. The steps from the lower parking lot to the RV area have been replaced and a guard rail was added near the entrance of the RV area (thanks Dean Hills).

EXPANSION OF FIVE FINGERS

Tim Gellatly

Waiting to hear back from Erlandson on steps with the Dept. of Health.

NEW BUSINESS

A reminder that Trey is seeking volunteers for 2018, those interested in helping out should contact him. There was a brief history of the old photos in the clubhouse, which date back to some of the original founding members of the club in the 30's. Carl mentioned that he will start working on the annual soon, if you are interested in advertising or have pictures for this years annual please let him know. Also there was a reminder of the sunshine committee that will send out flowers or cards to members in need and you can reach out to Roberta Schott for those needs.

RESIDENT AREA

Zach & Thad Keller -

Plans from Doug and Kim Fehrer's new house were presented to the board for lot #46/47. The lot transfer request from Doug and Kim Fehrer to Mark Jackson (lot #68), motion by Trey Gooch, second by Mary

SOCIAL

Rob Tidd

The Annual meeting is set for Saturday, January 6th at the clubhouse.
