

## LAKE CHELAN YACHT CLUB ANNUAL 4<sup>TH</sup> OF JULY FUNDRAISER

# LCYC NEEDS YOU AND YOUR DONATIONS !

Each year the Lake Chelan Yacht Club hosts the LCYC Annual Fund Raiser over the 4<sup>th</sup> of July weekend. In order to make the fundraiser a success we need each and every member's participation.

The Fund Raiser consists of a silent auction held on Saturday, July 7 beginning at 12 Noon in the clubhouse and continuing until 6:30 p.m. when the Live Auction begins.

Ways you can help:

1. **DONATE** new items for either the silent or live auction. This can be something that showcases your talents like a quilt, pottery, jewelry, ironwork, homemade pie, or if you are not handy put together some store bought specialty items. The possibilities are unlimited.
2. **SOLICIT DONATIONS** from those you do business with...think both little and big. Some ideas: Gift Certificates from restaurants you patron, gift baskets from a winery that you are a member of, an item from a hardware store you use for all your home needs, window washing certificate, gift basket from a salon, favorite kids games or tickets to slide waters or larger items like donations for delivery of a load of gravel, donation for tree removal, set number of hours for a professional painter, interior design services, house cleaning certificate, car or boat detailing, hunting trips, boat guides, that extra gun you will never use or a safe to put them in, kayak, paddle board. The sky is the limit so think about a free helicopter ride donation or a boat ride to the head of the lake. The possibilities are unlimited so think outside the box.
3. Even our teenagers can get involved. They can donate their time to weed for two hours or care for someone's animals for a weekend, or free babysitting for an event at the club. Let's include our future members.
4. Maybe you are too busy or not handy, but you can still help by donating funds which will be pooled together with other donated funds to purchase items for the live auction.
5. And last but not least.....Invite your friends and family, **ATTEND** the auctions and **BID** on an item at the auctions. Think of someone having a birthday or special event soon and pick up their present from one of the auction items or buy yourself that once in a lifetime trip or helicopter ride.

Remember these funds help your club continue to upgrade and improve the wonderful jewel we all own.

If you have questions or need to drop off a donation please contact any of the following members:

Trey or Ronda Gooch

Leroy or Cindy Thomsen

Mary Ann Pitts

Steve Polson

THANK YOU.
